جامعة طيبة
TAIBAH UNIVERSITY

App description

The Taibah Events App brings university activities together in one accessible platform. Students can:

- Browse upcoming events and view details
- Register and save activities
- Receive timely reminders

Organizers can publish events, manage registrations, share updates, and monitor attendance.

A more connected campus

The app gives students one reliable place to find events, register, receive reminders, and take part in university life. Organizers gain a clearer way to reach students and manage attendance.
